24 hours spent for the removal of Daphne and broom from 4 different properties
@ \$15/ hour - \$360.00

From July 16 - August 2/13

18.5 hours spent removing Canada and Bull Thistle from a 10 acre parcel of land
@ \$15 / hour - \$277.50

Total spent in 2013

\$637.50

Monies still available , start of 2014

\$1062.50

We had very little success in recruiting reliable people for the work. In the summer people have more opportunities for fuller time employment, hence they are not interest in casual work.
